TellUrStori is ...

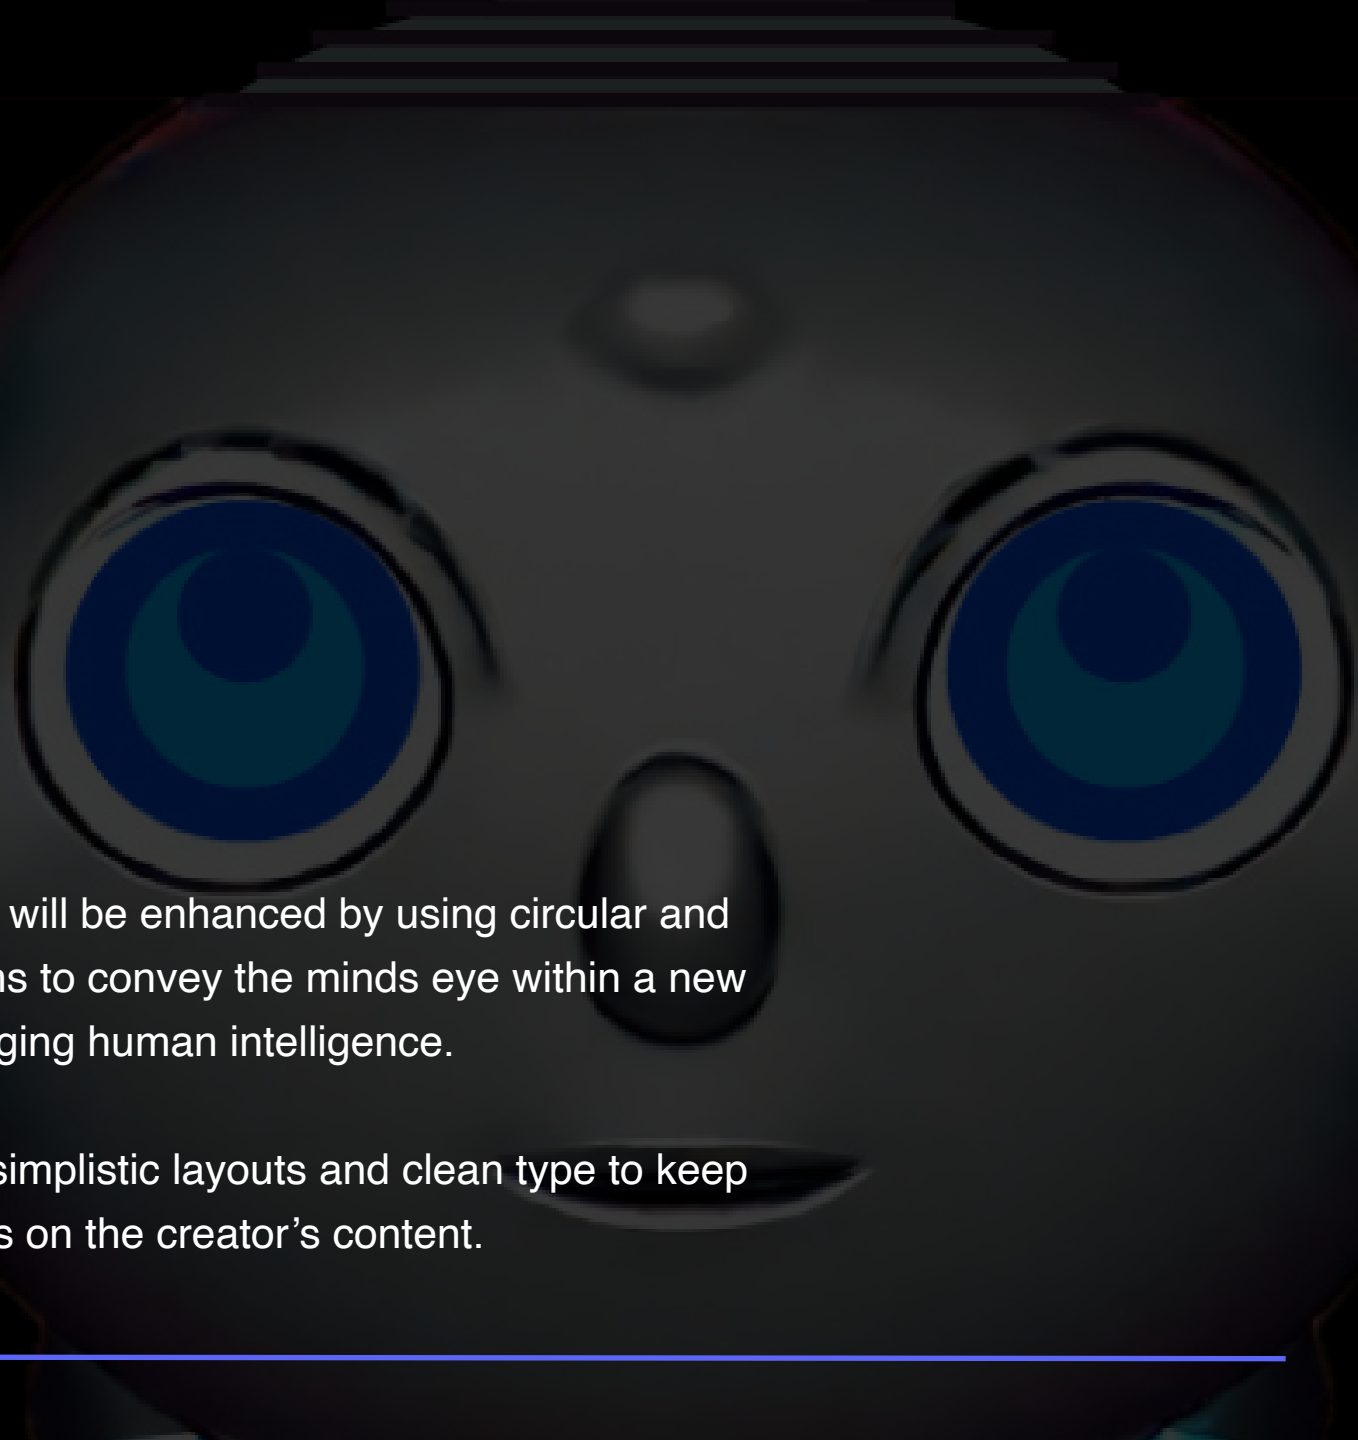

CREATIVE
COLLABORATIVE
PIONEERING

The three main pillars of the TellUrStori brand messaging and design are:
Creative, Collaborative, and Pioneering.

BRAND PILLARS

Brand clarity will be enhanced by using circular and spiral patterns to convey the mind's eye within a new kind of emerging human intelligence.

We will use simplistic layouts and clean type to keep the emphasis on the creator's content.

TYPE

Introducing the new TellUrStori Type System.

We engage creators through
a consistent and clear font that is reminiscent
of storybook and digital realms alike.

TellUrStori will bridge storytellers to the
metaverse and beyond to bold new ways to
share our worlds.
